As we come to the end of our first half term together, I want to thank everyone — children, staff, parents and carers — for such a warm welcome to Harvington Church of England First and Nursery School. It has been a real joy to see the children's enthusiasm for learning and the care they show for one another each day.

I hope the half-term break brings rest, family time and a chance to recharge before another busy and exciting term ahead.

Mr Holdstock

PSHE

This half term in PSHE, we have been completing work around 'Being Me in My World'. It provided the opportunity for the children to think about new beginnings in their new classrooms. In lessons, the children have looked at 'what are good choices?' and have discussed what they are proud of achieving, how to overcome challenges and how to ensure school is a safe and positive learning environment for EVERYONE.

Written by Mrs Cooper

Creation and Fall Day

The children learnt all about the creation story and what Christians believe God did on each of the seven days of Creation. They then learnt all about 'The Fall', where Adam and Eve disobeyed God and were tempted to make a wrong choice!

WHATSAPP SCAMS

Criminals have made use of **WhatsApp** as a vehicle to defraud unsuspecting victims for several years now. The commonest scam recently has probably been the "Hi, Mum/Dad" message.

Other messages used by opportunist criminals have included FAKE GIVEAWAYS, EXCLUSIVE GROUPS, VERIFICATION CODES and WHATSAPP JOB OFFERS.

The current WhatsApp scam to be wary of is the **WHATSAPP GOLD UPGRADE** message.

This is a non-existent upgrade supposedly offering enhanced features and security, and may even claim a celebrity endorsement. If you follow the "sign up" message there is then a danger that you will download malware onto your phone, and then the criminals can steal your personal data.

So never click on any links in these suspect messages and you can report a message by selecting it in your conversation and tapping "Report". Suspect Senders can be reported by opening the chat, click on the sender details and select "Block and Report"

ASK SILVER

This is a new service offered by GETSAFEONLINE to check any suspect emails or texts.

Just take a screenshot or photo of the suspect message, open [Ask Silver - Get Safe Online](#), then paste the image in the window. This will review the message and provide a report on the validity of the message.

Please feel free to share these messages with any vulnerable friends, relatives or neighbours.

If you have fallen for fraud

Report it to **Action Fraud on 0300 123 2040** or via actionfraud.police.uk

Scam Text messages can be forwarded to 7726 to help phone providers take prompt action and block numbers that generate spam on their networks.

You can also report fraudulent mobile calls by texting **7726** with the word "**Call**" followed by the **fraudster's phone number**.

Scam calls received on WhatsApp can be blocked by opening the chat with the suspect phone number and tap on "Block".

Forward **Fake Emails** received to report@phishing.gov.uk

If you think your bank account or personal banking details have been used fraudulently, then use the short phone number - **159** - to contact the Fraud Prevention Department of most major UK banks.

The First Half Term in Reception

The Reception children have settled into school so well, we have done lots of learning and had a lot of fun!

Using our senses to guess the tastes and smells

Practising our climbing and balancing skills

Making the Gingerbread Man

Year 1 trip to Bishops Wood

On Friday 3rd October, Year One went on a visit to Bishops Wood. The children had so much fun exploring the woods. They completed lots of different activities linked to their Geography and Science units this half term 'The Four Seasons'.

Written by Mrs Cooper

Year 1

This half term in English we have been looking at different instructions. We learnt how to follow, order and write instructions. During this unit we made a delicious shortbread biscuit, jam sandwiches and a colourful autumn leaf hedgehog.

Year 2 trip to the National Space Centre

On Wednesday 8th October, Year 2 visited the National Space Centre in Leicester. Whilst there, we got to make our own rockets! We even launched them to see if anyone could make it to the moon. After this we had time to explore the museum and learn even more about Tim Peake and the 1969 Apollo 11 mission to the moon. During the afternoon, we visited the planetarium and found out what it takes to be an astronaut. Whilst there, several members of staff from other schools commented on how well-behaved and well-mannered our children were. We felt so proud! A huge well done and a super day.

Year 3 trip to Birmingham Museum and Art Gallery

On Wednesday 1st October, our Year 3 children travelled to Birmingham Museum and Art Gallery and took part in an exciting workshop about life and death in Ancient Egypt. They got to explore artefacts and learn more about the process of mummification! The children were all really engaged and showcased their impressive recall of our learning so far, as well as finding out some new and interesting facts about Ancient Egypt!

After lunch, we got to explore the rest of the gallery and there were lots of different interactive experiences for the children to get involved in!

We had a fabulous day! Well done Year 3!

Year 4

What a fantastic start we have all had to Year 4! The children have been full of enthusiasm towards their learning and have been consistently demonstrating a wonderful attitude and learning behaviours.

In Geography we have been learning about where our food comes from and why we should make considered choices when we buy our food and where we buy it from. The children have been creating well balanced arguments to consider whether buying locally sourced food is better or worse than buying imported foods. We combined this with our new Science knowledge about the digestive system and teeth to write some very informative non-chronological reports.

The children have rewritten the story of Gorilla by Anthony Browne, coming up with their own story about going on an adventure with an animal of their choice. We took part in a celebration of National Poetry Day by participating in a Remembrance Day webinar where the children wrote some beautiful poems about Remembrance. Recently we have also been exploring language choices when writing our own poems about where things get lost.

Written by Miss Knapton

What the children would like to say:

We have been learning about how to write non-chronological reports, about food and digestion. We have also been starting to learn how to play the Cornet. You may already be aware of this, because some of us have been acting as a really annoying morning alarm. We came second in a Netball tournament against local Evesham schools and took part in a football trial for an upcoming football tournament. In art we have been making collages and looking at shading and tone. - Mabel, Isaac, Dani and Tabi.

We have been reading a very good book called Gorilla by Anthony Browne, and we would really recommend it to others. In PE, we have been learning how to play hockey and swimming has been really fun. We have been doing lots of art, in lessons and having some free time to learn how to draw with Rob. We've learnt about the digestive system and took part in a very messy and smelly experiment. Something we look forward to each week is reading a new book together in the Library. - Milly and Esmé.

Year 4 Remembrance Poems

It feels like we remember those,
That gave up their lives to save us,
We shouldn't have left them behind.
The silence is there to remember their loss but care,
The fields and buildings were destroyed by bowling balls from the air,
Their souls are poppies,
Their bodies under graves.
The kindness and care and all that we share,
Is remembered by others that stand with me.
We're born to believe,
To share our passion, food and love,
We're lucky but the sacrifices of the soldiers who gave their all,
They didn't sleep a wink or eat a feast, the comfiest furniture,
That's what they gave up.
Which is why I stand with you.
Written by Xandrea

When we fell silent all together,
And we share a moment peacefully,
I want to tell you what I'm thinking
And what the silence means to me.

Imagine the love and peace,
They gave us today, a feeling we couldn't possibly repay,
The pressure, the bravery,
Would you dare to do the same?

That silence to me is a sign of thanks,
And gratitude for all,
The ones that didn't survive,
Don't feel a sense of sadness, feel a sense of pride.
Written by Rhett

When we fall silent all together and do our two-minute silence,
We think about the people who we are grateful for and try to do our best.
Imagine leaving your family and not knowing where you're going.
Scared and afraid to go on a train, will I ever get home?
Grateful and lucky we sit here now,
Yummy food and comfy beds to sleep in tonight.
Happy, with healthy food in the cupboards,
A nice school to sit in and get our education
And thank them for their sacrifice.
Written by Milly

Imagine leaving them behind,
They would never leave or go out of my mind.
They left for a place filled with bangs and booms.
All the men slept in strange rooms.
So we take a minute or two
To say thank you.
Written by Emily

Imagine leaving the hatred behind,
In a world of peace,
Ruined by bombs and cries,

Entering a world of peace,
And a place for poppies,
And this is what harmony means to me.

I love the hope in our hearts,
No hate and no sorrow,
So I do not want war.

The breeze across the fields,
It touches my heart,
The thanks I give to one and all who gave their lives for us.

Help us spread the hope of silence,
And the joy that we take for granted,
Now their souls are poppies.

Come and gather for hope,
As kindness spreads across the lands,
This is what remembrance means to me.

Written by Ben

When we fall silent all together,
And we share a moment peacefully,
I want to tell you what I'm thinking
And what the silence means to me.

Imagine leaving them behind,
The people who are close to me.
Travelling to a place unknown,
Separate from friends and family.

I think of those who fought in the war,
And I am so grateful for those who protected us,
and sacrificed themselves for us.

So now I take two minutes of silence,
And remember them, imagine how brave they were,
And how much they cared for us all.

Year 5's Viking Adventure at Compton Verney

Year 5 had a fantastic trip to Compton Verney, where they stepped back in time to experience life as Vikings! The children took part in a range of exciting hands-on activities — they made bread, built wattle and daub walls for their houses, lit fires, and even learnt how to write their names using Viking runes. The children showed super manners to our Viking leaders and worked together in their teams fantastically. Everyone had a brilliant day and came away with lots of fascinating facts about Viking life.

Written by Mrs Whillock

A big well done to the Year 4 netball team who took part in a tournament on Wednesday 15th October at Badsey First School. They played several matches, winning the first few confidently and progressing into the final against St Andrew's. All players showed fantastic netball skills as well as perseverance and sportsmanship. They lost in the final by just one goal- something to be incredibly proud of!

Explore Purple Mash at Home!

We're excited to continue using *Purple Mash* as part of our computing curriculum across the school. This engaging and educational platform allows children to develop their digital skills through fun, interactive activities in subjects like coding, art, maths, and more.

We encourage you to explore Purple Mash at home with your child to support their learning. Each child's login details can be found in the front of their message book.

Thank you for supporting learning beyond the classroom!

Punctuality Matters!

If a child arrives after 8:40 in the morning once the gate is closed, they will be classed as late and are given a 'L' code in the register. At 9:00 our registers close therefore any child arriving late after this time will be classed as 'late after the registers close' and will be given a 'U' code on the register. This code counts as an absence for the morning session therefore will impact their attendance.

Harvest Festival

Thank you to those of you who were able to join us at our Harvest Festival Service. The children showed an excellent understanding as to why we gather together for our service.

We would also like to thank you for sending in so many items for our chosen charity, Caring Hands. You have been enormously generous and these donations will enable us to make care packages for those people most in need of some support.

Thank you

Parent Consultations

There will be an opportunity for you to meet and discuss your child's progress week. We are offering either a TEAMS meeting or a face-to-face meeting. Staff will not only focus on specific curriculum subjects but will discuss wider curriculum and personal attributes as part of this meeting.

Harvington School PTFA: Notice of AGM

The Harvington School Parents, Teachers and Friends Association (PTFA) AGM is taking place on **Thursday 13th November, 7.30-9pm in the school hall.**

This is our first AGM as a charity and we will be electing our trustees, as well as reviewing finances and the events that have taken place over the past year. Please join us if you can to find out more about the role of the PTFA in supporting the school and have your say on how we are run.

We will be electing trustees for the following positions (all roles could be shared):

Chair

Treasurer

Secretary

Ideally, a minimum of two additional trustees with an interest in the school who would like to support the work of the PTFA and help ensure we meet our requirements as a charity.

The existing trustee committee members will be stepping down over the next few months, so we are looking for people to fill all of these roles. The current members will be more than happy to support new trustees and ensure a smooth handover. Trustees will meet together as a committee once a term, plus the Chair(s), Treasurer(s) and Secretary(s) will play a key role in the running of the PTFA in support of the school. Information about the role of charity trustees can be found here: <https://www.gov.uk/government/publications/the-essential-trustee-what-you-need-to-know-cc3/the-essential-trustee-what-you-need-to-know-what-you-need-to-do>

To find out more, please email harvingtonschptfa@gmail.com

If you would like to put yourself forward for election as a trustee, please email the above address with some brief information about why you are interested by **Thursday 6th November.**

We are also looking to build a picture of parents or friends who have specific skills they may be able to volunteer to the PTFA on an occasional basis, or links to businesses who may be interested in supporting the PTFA. If you have something you would like to offer, again please email: harvingtonschptfa@gmail.com

It will be very helpful if you can let us know if you are planning to attend.

Thank you for your ongoing support.

Harvington PTFA upcoming events:

Message from the Lantern Parade Committee

All are welcome to walk along with the parade, with or without lanterns. We will start at the Market Square, assembling between 5:30pm and 5:45pm and then go through the Park, singing carols, ending at Workman Bridge for the light switch on, more carols and mince pies and drinks. It should be a magical community event in the run up to Christmas. The children last year had a great time! We would like to involve more families and friends this year.
