

Activities to do at home

Pasta necklaces/bracelets

Thread penne or macaroni onto string to make jewellery. You could paint it or put glue on it and add some glitter to make it sparkle.

Popping bubbles in the garden

Play a song while the children pop bubbles, count how many they can pop while the song plays and try and get more next time!

A scavenger hunt around the house/garden

Hide objects around the house with clues on where to find the next one etc.

Potato Printing

Cut a potato in half and dip it into some paint and print onto some paper. Can they make a repeating pattern?

Play-doh

So many things to make, animals, vehicles or can they make the letters from their name by modelling the shapes out of play-doh?

Junk modelling

Instead of throwing away toilet roll tubes or cereal boxes make a model out of them. Maybe a castle out of a box and a snowman out of a toilet roll tube?

Hide the object

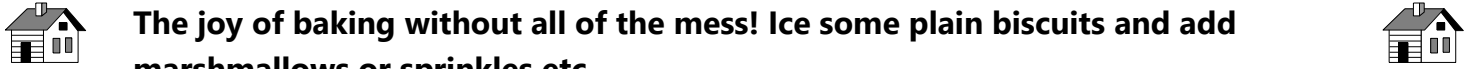

An easy way to play hide and seek without having to hide yourself. Choose an object, maybe a teddy or a doll. Take it in turns to hide it and then the others have to find it!

Ice biscuits

The joy of baking without all of the mess! Ice some plain biscuits and add marshmallows or sprinkles etc.

Play musical statues/bumps/chairs

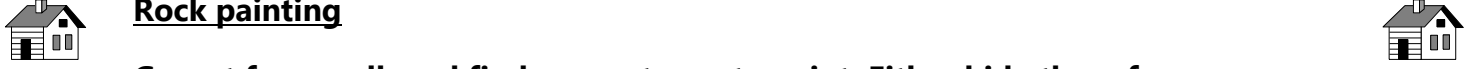

You don't need to be at a party to play party games!!

Den Building

This could be inside with sheets and blankets or outside with sticks and leaves!

Rock painting

Go out for a walk and find some stones to paint. Either hide them for someone else to find or decorate your garden with them.

Painting with water

Get outside with a pot of water and a paintbrush and let the children paint whatever they like with it! It will soon dry and there won't be any mess!!

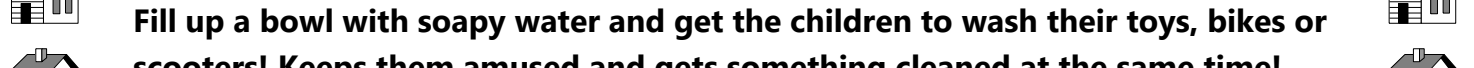

Rubbings

Chose objects with different textures, place them under some paper and make rubbings using crayons.

Toy wash

Fill up a bowl with soapy water and get the children to wash their toys, bikes or scooters! Keeps them amused and gets something cleaned at the same time!
