

# Harvington CE First & Nursery School Development Plan

Together We Love, Learn and Grow

Key Priorities for 2019/20

We would like to thank you for helping us maintain our attendance. Please can you help us continue by avoiding taking a holiday during term time.

This year, we are determined to improve:

We would like to thank all parents and carers for their continued support. We are proud of our achievements here at Harvington CE First & Nursery School

You can help us:

Our vocabulary, with a particular focus on using our new words in our writing.

Our writing and particularly our spelling, vocabulary and handwriting.

Talking about different vocabulary in all subject areas and try to use new and exciting words.

By helping us learn our spellings at home and encouraging us to use our best handwriting.

Our reading, writing, phonics and maths skills by developing 'champions' in school to help us

Our understanding of how our school shows its Christian distinctiveness in all that we do..

Helping with the homework that is shared with you and enjoy daily book shares at home.

Discussing how you can follow the school vision and values at home and by using the information shared on the newsletter.

Our times table skills and rapid recall.

Our understanding of the world and how we can help preserve it for future generations.

Learn our number bonds and times tables by reinforcing Big Maths calculation methods at home, as well as practising the Beat That Learn Its

Help us to look after our world by following the school example wherever you can.
