'Together we love, learn and grow'

Dear Parent/Carer

Thank you for expressing an interest in our Nursery provision. We are pleased to provide further information.

Our Nursery is judged as 'outstanding' by Ofsted and is used as a centre of excellence within the county and we are very proud of all that we offer.

Children may start Nursery from the age of 2 years 9 months, subject to places being available. We can help your child create very special memories with exciting experiences using both inside and outside provision and also support their transition into 'big school'.

All our sessions are planned to ensure the children learn through play and the welfare, learning and all-round development of children with different needs are met. We work closely with you to share and listen about your child's learning journey.

Planning ensures children receive the best opportunities to develop their speaking, listening, communication and social skills alongside supporting their early development in creativity, music, PE, reading, writing, number, shape and technology.

All children receive milk and healthy snacks during each session. We also offer the opportunity to stay for lunch – either a hot meal (which must be paid for) or a packed lunch which you may provide. We are also open for 'Early Birds' Breakfast Club from 8am and 'Harvington Wrappers' from 3pm to 6pm at the end of the school day. Funding can be used for our morning and/or afternoon Nursery sessions (including lunch sessions).

We are extremely proud of all that we provide and we are excited to share this with your child. Throughout the nursery day children engage in a range of exciting experiences including making special relationships, sharing snacks, self-initiated investigation, cooking, forest school, phonic activities, focused art with adults, music and singing.

We are registered to receive nursery funding. All 3 and 4-year-olds receive 15 hours of funding from the term after their third birthday. Some 2-year-olds may be eligible for funding and some 3- and 4-year-olds may be eligible to receive an additional 15 hours per week (giving a total of 30 hours) – please see the enclosed information for more details. Sessions are flexible e.g. you can choose for your child to attend all five days, all mornings, all afternoons, or a mix of both.

If you wish to take advantage of our extended services, please contact us or complete the enclosed booking form.

If you wish to visit our provision, or have any questions, please do not hesitate to contact me by telephoning 01386 870412 or by email: office@harvington.worcs.sch.uk

We would very much like to welcome your child into our Nursery family.

Yours sincerely

Becky Enstone
