First Stage-£3300

<u>Item</u>	<u>Area of focus</u>	<u>Cost</u>	<u>Planned Impact</u>	<u>Reviewed Impact</u>
Reading books-Rising Stars	Phonics -YR, Y1, Y2 Early Reading-YR,Y1 Transition from Early Reading to free reading-Y2/Y3 Support for SEND readers-Y2,Y3,Y4	£800	To consolidate letters and sounds teaching through the use of reading books (home and school) To develop early reading skills To develop sight reading To ensure reading skills are secure before moving onto free reading books	The children in R and KS1 are all now using the books and a clear structure is in place. With lockdown again we are using a trial of the books online so children can still access at home. Spring 21-children and parents are enjoying the books and the scheme links well with our phonics programme. We continued setting the reading throughout lockdown using the online library. Summer 21-books linking well with our phonics work and have been very successful-the children and parents enjoy them.
Letter Join Subscription	Handwriting across the school Specific interventions Fine motor control support	£144	To ensure progression in handwriting across the school Children are able to practise specific formation/joins Children are able to develop their fine motor skills	The resources are being used across the school to support. Parents have the subscription information to practise at home and we have had good feedback from parents.
Nessy Subscription	Support for key children with reading and spelling	£190	To identify the areas where support is needed To target areas identified through daily interventions with reading and spelling Children will improve their reading and spelling skills-tracked using assessment tool on Nessy.	Children have been baselined and are due to be re-assessed at the End of the Spring term. If we are not back in school we will need to consider how this is completed. Assessment completed at end of Spring 21 term and new targets set,
White Rose Subscription	Maths Recap of learning-using flashback resources	£99	To consolidate previous learning in warm up activities and in interventions Apply maths learning in clear homework tasks	This is a great resource for recapping learning done previously-all classes 1-5 using the flashback tasks as warm ups.

	Resources to support home learning, homework and interventions		To use for home learning support to those children self-isolating Provide clear intervention support in areas identified	We are able to use the video links to provide support for home learning particularly where children need individual differentiated work. We have also used the videos to provide extra interventions where needed.
SEND resources Sensory Direct	To support individual needs of SEND pupils within the classroom in particular concentration skills/sensory support.	£178.57	Children with specific SEND needs are able to succeed in the classroom Children develop their independence skills Children are less anxious in a whole class situation	All resources are now in place and linked to IEP provision. There has been positive feedback in regards to helping concentration and supporting with specific needs.
Assessment tools- PIRA PUMA	Reading Maths	PIRA- £892.50 PUMA- £787.50 £1680	To gain a clear assessment overview of any gaps/areas that need more input in reading and maths To be able to plan interventions and next steps in learning	These have been purchased and were used at the end of the Spring term 21 and in the Summer term 21 to inform teacher judgements and provide next steps in learning.
			Total: £3091.57	

Second Stage: £10,620 + £208.43 from initial stage=£10828.43

<u>Item-ordered</u>	<u>Area of focus</u>	<u>Cost</u>	<u>Planned Impact</u>	<u>Reviewed Impact</u>
