Headteacher – Mrs H. Fishbourne (B. Ed Hons)

3rd February 2017

Dear Parent/Carer

We are very pleased to share our recent Ofsted report with you. As you are aware we had an Ofsted Inspection on 10th and 11th January 2017 and, following external audits and checks, we are now allowed to share our report and the judgement.

We are very proud to share with you that Ofsted judged our school to be **OUTSTANDING in all areas**:

- Overall effectiveness
- Effectiveness of leadership and management
- Quality of teaching, learning and assessment
- Personal development, behaviour and welfare
- Outcomes for pupils
- Early Years provision

The school was judged to have no weaknesses. There is only one other school in Worcestershire that has been judged as outstanding under the new, more challenging, criteria which was introduced in September 2015.

We have included some quotes and hope you enjoy reading the full report.

Pupils:

- make rapid progress in all areas of learning
- are confident self-assured learners
- thrive
- are willing to take on any challenge with gusto
- are thoughtful and respectful individuals
- develop into thoughtful and respectful individuals
- are immensely proud of their school
- feel completely safe and well cared for

Teaching:

- is inspirational
- is of an exceptional quality
- develops pupil's resilience
- develops impressive levels of independence and collaboration

As Headteacher, I would like to recognise the commitment and high expectations of all our staff. I am very privileged to lead such a tremendous team who go the extra mile to provide the very best levels of education and care for all our pupils. I am proud of the high levels of standards and progress our pupils achieve. I would like to thank all the governors and parents for their support and above all our enthusiastic, happy children.

As Chair of Governors, this well-deserved report reflects the hard work and dedication shown daily by every member of staff, the positive attitudes and commitment shown by pupils and the dynamic and effective leadership of the Headteacher and her team. Governors are proud to be associated with this school and will support the school in maintaining or improving these exceptionally high standards.

Yours faithfully

H Fishbourne
